## CALLING PROCEDURE TO THE SANFL

**Club Member**

**Club Secretary**

**League Secretary**

**Regional Director**

**SANFL**

It would be appreciated by the SANFL if this calling procedure could be followed. You will find that most queries can be answered by either your League Secretary or Regional Director and do not have to come through the SANFL. This procedure also ensures that your local Region is aware of local/regional issues. Any issues relating to the South Australian Community Football League should be directed to your Regional Director. Any Club issues not related to the Constitution should be directed to your Development Coordinator.

Thanking You
